Walking

There are seven Poems for Positivity, set out in a walking trail around the township. If you walk to all of them, you will have done 5 kilometres – that's 6,250 steps – or enough calories to burn up one and a half Mars Bars.

Scan the QR code with the camera on your mobile phone to see the animation and hear each Poem for Positivity. You can find all of the locations using the postcodes or for even more fun download the what3words app at www.what3words.com and enter the what3words for directions.
